Considerable Class To McKeesport Outfit

A number of semi-professional players are on the line up of the McKeesport team, which plays the local team of the Consolidation Coal company here Saturday, and a number of others who have starred at the game in their college days are included also. Kessler, who is well known for his work with the International and C. & P. league, or Smith, equally well known as the star pitcher with the Western Pennsylvania league, will occupy the box for the visitors and the locals will need to get their batting eyes in condition. Following is the line up of the visitors:

Howard, lf, semi-pro, three years.
Kight, mf, semi-pro, one year.
Caranthan, rf, semi-pro, one year.
Ohrimba, 2b, Dequesne University.
Dehan, 3b, Duquesne University.
Foraythe, ss, semi-pro, ten years.
Graham, c, semi-pro, four years.
Kennedy, c, semi-pro, ten years.
Salter, pitcher, International and C. & P. league.
Smith, pitcher, West Penn league.

COMMENCEMENT IN REBUILT HOSPITAL

Two Young Women Who Have Completed Nursing Course Graduated.

The annual graduating exercises of Cook hospital training school were held last evening in the parlors of the institution when a class of two young women were granted diplomas. The young women who finished the course this year are Miss Orva Wimer of Morgantown, and Miss Nelle Thomas of Wheeling.

Exercises of an interesting nature were conducted in connection with the awarding of the diplomas. Vincent's orchestra stationed across the hall from the parlors rendered several pretty selections and a vocal solo by Dr. Carter S. Fleming was a pleasing feature of the program.

The parlors were tastefully decorated in flowers and ferns and presented an attractive appearance and made a fitting background for the commencement exercises.

Dr. Chesney M. Ramage, city health officer, and one of the class sponsors, delivered the commencement address which was a splendid effort. Dr. Ramage in the course of his remarks emphasized the importance of nursing as a profession and placed the importance of this profession second to none not excepting that of the practicing physician. His address was replete with good advice and counsel to the young women just completing the course.

Miss Eunah Taylor, head nurse of Cook hospital, and the other class sponsor, presented the diplomas to the graduates, following which an informal reception was held and refreshments were served.

The class to finish the course last night is known as the Ramage-Taylor class and the young women graduating give promise of succeeding splendidly in their chosen profession.

Quite a large number of friends and patrons of the hospital were present last night for the graduating exercises.

This was the first opportunity many had had to view the remodelled hospital since it was damaged by fire in December, 1916. The building has been repainted and decorated throughout and many changes have been made which were much needed at the hospital.

ENGINEER FATALLY BURNED
WHEELING, W. Va., June 21.—William Price, aged 60, of Bellaire, Ohio, was fatally burned yesterday when a Pennsylvania train of which he was engineer, hauling coal miners in the mining district south of Bellaire, struck spreading rails and the engine overturned. Price was badly scalded and is believed to be dying in a hospital here. The fireman of the train was jumping. None of the miners was injured.

OLDFIELD, AFTER NEW RECORDS, INVENTS NEW SUBMARINE CAR TO BURN THE SPEEDWAY WITH

By PAUL PURMAN.

Yes, it's our old friend Barney Oldfield back again. Same cigar, same goggles, same grin, same Barney, but a new car, by the way, which will look like a real streak without human agency to guide it.

For when Barney's new car is in ac-

tion he and his mechanic are inside the covered top.

Barney calls the racer "the Submarine," on account of its peculiar

construction. The torpedo body is built high enough to permit the occupants to sit comfortably inside shielded from the rushing wind as Barney takes the turns at breakneck speed.

In early trials Oldfield has driven his car a little faster than 107 miles an hour and expects to cop some of the big speedway events this season with "the Submarine."

FACTORIES COMING TO GET CHEAP COAL

Clarksburg Chamber of Commerce Gets a Significant Inquiry.

CLARKSBURG, W. Va., June 21.—Maximum use of West Virginia natural gas supply is unexpectedly bringing about a result desired by those who recently sought to conserve the supply, namely, that of bringing factories into the state.

Trade boards and other commercial bodies report an increased demand for factory sites and local fuel supplies. The factories are not coming for natural gas, however, but for the coal.

These facts were made evident today when representatives of the Mechanical Window Glass Supply Company of Pittsburgh came here and conferred with the Clarksburg Board of Trade in regard to possible factory sites and fuel conditions. If they make a favorable report to their directors upon their return to Pittsburgh it is probable that the company will build a plant here.

It is the plan to obtain coal here and manufacture the company's own gas from the coal.

Plenty Of Proof

From People You Know—From Fairmont Citizens

The greatest skeptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Fairmont, of people who can be seen at any time. Read the following case of it:

P. J. McGee, 320 Gaston ave., Fairmont, says: "My work is rather hard on my kidneys. When I have taken cold, it has settled on my kidneys and has weakened my back. I have then felt dull and tired and my kidneys have acted irregularly. Then I have bought Doan's Kidney Pills from Martin's drug store and they have always quickly relieved me of the disorder."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McGee had. Foster-Milburn, Co., Props., Buffalo, N. Y.

S. S. INSTITUTE FOR GRANT DISTRICT

All Day Session Will be Held Sunday at Boothsville Church.

Next Sunday the Sunday school convention of Grant district will have an all day session Sunday, June 24, at the Methodist Episcopal church, south at Boothsville. A very interesting program has been prepared for the day and it is expected that the attendance will be quite large. Mr. M. Cleland is president of the association and Arch Hall is secretary. The program:

Morning session—10:30, song service; devotional, Rev. F. L. Odell; 10:50, remarks, M. M. Cleland; 10:55, "Are the Sunday Schools of Grant District Instrumental in Winning the Boys and Girls for Christ," William Lamham; 10:55, address, "The Graded Work in the Sunday School," T. C. Newbrough; 11:15, address, "The Duties of Father and Mother to Their Children," J. L. Rinehart; 11:30, address, "What Would Be the Condition of Our Churches and Country Without the Sunday School," Rev. C. C. Lawson; 11:45, roll call of schools; appointment of committees; song; benediction.

Afternoon session—1:30, song service; devotional, Rev. J. F. Cost; 1:45, address, "The Missionary Department of the Sunday School," D. P. Smith; 1:55, The Cradle Roll, Mrs. Odell Talkington; 2:05, "The Best Way to Interest a Girl in the Twelve to Twenty Age," Mrs. E. M. Cox; 2:15, An Outline of the S. S. Work in Grant District Special, and of Marion County in General, by the county secretary, H. F. Barb; 2:30, report of committees; 2:35, recitations and song service; solo, "When I Fall Asleep," Miss Bettie Rinehart; 3:15, address, "How to Create a Sunday School Spirit," E. J. Thomas; 3:30, "Why Believe in the Sunday School Work," W. P. Gore; 3:40, Round Table—What Is Your Problem in the Sunday School (write out your problem); benediction.

Developing Self-Control. Self-control may be developed in precisely the same manner as we tone up a weak muscle—by little exercises day by day. Let us each day do, as mere exercises of discipline in moral gymnastics, a few acts that are disagreeable to us, the doing of which will help us in instant action in our hour of need.—W. G. Jordan.

FLAGS FEATURED SCHOOL DECORATIONS

Interesting Commencement Exercises Held at St. Peter's School.

A class of seven, five girls and two boys, were awarded diplomas at the fourth annual commencement exercises of St. Peter's Parochial school held at the school last night.

A large audience assembled for the commencement exercises last evening and an entertaining program was rendered by the pupils. The auditorium was tastefully decorated for the occasion, with American flags and flowers.

After a short address in which he commended the school and especially the graduating class for the excellent work accomplished throughout the year, Rev. Father Bojovic presented the diplomas to the pupils.

A pleasing feature of the program was the pantomime "Star Spangled Banner" by Miss Margaret Ruddy. As the Stars and Stripes were displayed in this pantomime the National hymn was sung effectively by Misses Anna Frank, Helen Tchinski and Lulu Wegman. The rose march given by a number of children was also highly pleasing.

Those receiving diplomas were Mary Fay, Mary Waltz, Gorman Sloan, Carlisle Small, Frank Pendergrast, John Saudor and Bernadine Cordary.

When playing Red Dog, in order for a fellow to cheat he'd have to have 52 decks of cards up his sleeve in index order.
